ALABAMA DEPARTMENT OF TRANSPORTATION

DRAFT

STATEWIDE PUBLIC INVOLVEMENT PLAN (PIP) FOR TRANSPORTATION PLANNING PROCESS

The Alabama Department of Transportation (ALDOT) has prepared a *DRAFT* Statewide Public Involvement Plan (PIP) and is seeking the public to provide comments to this document. This plan updates the ALDOT's PIP that support Alabama's Statewide Transportation Planning Process. The purpose of the plan is to implement effective ways for ALDOT to gather information from the public about their transportation needs.

Comments will help direct how ALDOT will engage in meaningful conversations with communities and incorporate the public's input in the transportation decision-making process.

The *DRAFT* Statewide PIP will be available for review and comment at the following website: <https://www.dot.state.al.us/news/publicinvolvement.html>

Online forms are available on the site and written comment forms should be forwarded to:

State Office Engineer
Planning Studies Section
Alabama Department of Transportation
1409 Coliseum Blvd, Room E-101
Montgomery, AL 36110

Comments will be accepted up to on or around **October 4, 2021**. For additional information, please visit <https://www.dot.state.al.us/news/publicinvolvement.html> or email: aldotstatewideplanning@dot.state.al.us.
